

AMANDA CUTAIA BARNETT

Amanda.Barnett@esc.edu www.amandacutaiabarnett.com

Proactive and motivated with experiences in educational technology, faculty development, accessibility, and teaching and learning. Established ability to collaborate with colleagues, faculty, and students, conceptualize and manage long term projects, and create engaging materials.

FACULTY DEVELOPMENT EXPERIENCE

MAY 2018-PRESENT

EDUCATIONAL TECHNOLOGIST, SUNY EMPIRE STATE COLLEGE

- Provided direct support and consultation to faculty, staff, and students using technology for teaching and learning.
- Collaborated with faculty to create technology-mediated learning experiences and to integrate audio, video, web 2.0/3.0 tools, and re-useable learning objects within learning environments.
- Developed and delivered technical and pedagogy training, workshops, written materials, and programing within the realm of educational technology.
- Developed and maintained professional relationships across the college
- Maintained current knowledge of new and emerging technologies and their application
- Ensured ET service requests were handled within agreed upon timelines.
- Conducted emergency accessibility reviews for courses and tools in conjunction with the Office of Disability Services
- Employed Sagence to create Competency-Based Education (CBE) training modules for administrative systems and D2L
- Researched CBE methods and practices as CO-PI on a STEM CBE grant project

HEAD OF FACULTY DEVELOPMENT PROJECT TEAM:

- Created and implemented needs assessment survey to gather faculty educational technology needs
- Developed, created, and released podcast series featuring faculty discussing their use of technology in instruction
- Developed written materials and training workshops for new administrative systems
- Lead the team in decisions about goals and assigned tasks as necessary to accomplish those goals

2014-2017

GRADUATE ASSISTANT, TEXAS CHRISTIAN UNIVERSITY, KOEHLER CENTER FOR INSTRUCTION, INNOVATION, AND ENGAGEMENT

- Assisted faculty and graduate student teachers in using best practices to enhance their syllabus, gradebook, and use of LMS;
- Created and ran workshops for new graduate student teachers

- Completed all steps of Quality Assurance process of school-wide migration from eLearning to D2L;
- Developed classroom audit spreadsheet and audited classroom spaces across campus
- Developed promotional materials for Koehler Center;
